Adapting to the Changing Face of Modern Healthcare

Speakers: Laura Arline, MD, FACP, FAAP, Jazleen Vecchiarelli BayCare Health System

1 P.M. CT

Diabetes Excellence In Primary Care: Connecting People, Process and Technology

Speakers: Stephanie Tonetta, MSN, AOCNP, APN-BC, Pete Wiley Cooper University Health Care

1 P.M. CT

An Innovative Approach to Enhance Leadership Development at Your Organization

Speaker: Rose Cook, MSN, RN-DNC Catawba Valley Medical Center

2:30 P.M. CT

Bringing It All Together: Building a Data-Driven Community Health Infrastructure to Promote Health Equity Using Technology to Optimize Post-discharge Care

Speakers: Rajika Reed, PhD, MPH, M Ed, Whitney Szmodis, PhD, M Ed St Luke's University Health Network

2:30 P.M. CT

Workplace Violence Prevention

Speaker: Kelsey Hochheimer, BSN, RN St Luke's University Health Network

WEDNESDAY, JUNE 21

Labor Optimization

9 A.M. CT

Building a Dynamic, Flexible Nursing Workforce: S.E.A.L

Speakers: Daniel Hudson, MSN, RN, CENP, Elizabeth Kopp, MSN, RN-BC, Elizabeth Serratore Jefferson Health St Luke's University Health Network

1 P.M. CT

Leader Optimization: A Chief Finance Officer & Chief Nurse Officer Perspective

Speakers: Camie Patterson, CPA, FACHE, FHFMA, Roberta Young Lake Region Healthcare

2:30 P.M. CT

Labor Optimization 3

Speaker: Mary Beth Brown St Luke's University Health Network

Movement to Value - Implementation

9 A.M. CT

Moving to Improve Sepsis Mortality: A Systematic Approach

Speakers: Carrie Morris, RN, BSN, CCRN, Esther Gacugi, MHSM, MBA, PMP, SSGB Charleston Area Medical Center AND Methodist Health System

1 P.M. CT

Taking Charge of Discharge: The Role of Pharmacists and Technology in Preventing Care Gaps

Speakers: Nicholas Allen, PharmD, Erica Housman PharmD, BCPS (AQ-ID) The University of Tennessee Medical Center and Baystate Health

2:30 P.M. CT

Tapping into Value: Innovative Blood Utilization

Speakers: Mohammed Shams, MD, MBA, Eric Tesoriero St Luke's University Health Network and Hartford HealthCare

THURSDAY, JUNE 22

9 A.M. CT

Clinical Transformation: Improved Outcomes and Caregiver Retention Through the Highest Value Work

Speakers: Kylene Rush, Natalie Blum, Amy Ballard, IME, SSBB, CPHQ Peacehealth

9 A.M. CT

Strategic Imperatives of a STAR: Interdisciplinary Event Review

Speakers: Joshua Winowiecki, BSN, RN, Amy Ballard, MBA Henry Ford Health and PeaceHealth

1 P.M. CT

Laying the Foundation for Systemized Stewardship: Implementation of an Antimicrobial Stewardship Toolkit and Workshop in a Rural Health System

Speakers: Catessa Howard, PharmD, BCIDP, Derek Grimm WVU Medicine

1 P.M. CT

The Real Story Behind the Wizard of Oz: How to Implement ED Clinical Pathways

Speakers: Lana Palmquist, MEd, RN, BSN, CPHQ, CVAHP, Lori Smithson BayCare Health System

2:30 P.M. CT

Monthly Labor Reporting for your Hospital's Executive Leadership

Speaker: William Martin, MBA Beebe Healthcare

2:30 P.M. CT

The Negative Impact of Clinical Misclassifications on Quality Measures

Speaker: Stacy Reck, MBA, RHIA, CDIP Avera Health

WEDNESDAY, JUNE 21

Movement to Value - Innovation

9 A.M. CT

LEAN into Value: Innovation in Problem Solving and Leadership Using LEAN Methodologies

Speakers: Lyndsay Boone, MBA, MHM, RN, CHC, Gina Escalera, MA, LSSGB Bon Secours Mercy Health and North Mississippi Health Services

1 P.M. CT

Getting More from your Multidisciplinary Mortality Reviews

Speakers: Alison Graham, BSN, RN, MHSA Katrina Moog, MSN, RN CPHQ Bon Secours Mercy Health and Orlando Health

2:30 P.M. CT

Value of Data in Multimodal Acute Pain Service: Prescription Strategies to Prevent Adverse Events

Speakers: Diane Loftus, PharmD, Kellie Roberts, CPHQ Samaritan Medical Center and The University of Tennessee Medical Center

9 A.M. CT

The Value of Increasing Mammography Volume and Service Support

Speakers: Perry Kirwan, MSE, CCE, Cari Modrzynski, MHA, LSSBB Banner Health and Roper St. Francis Healthcare

1 P.M. CT

Care Team of Tomorrow - New Models of Care Become a Reality at University Hospital

Speakers: Anthony Perella, MBA, RN BSN, RN, Jody Loughner BSN, RN University Hospitals- Cleveland

2:30 P.M. CT

Threading the Needle: Improving Door-to-Puncture Time in Stroke Patients with Large Vessel Occlusion

Speaker: Brian Wiseman, MD, MSc University of Tennessee Medical Center

Movement to Value - Measurement

9 A.M. CT

A Clean Cycle: Improving Colon and Bowel Surgery Episodes of Care

Speakers: Tina Crowder, RN, BSN, Lori Elks, MSN, RN, CMSRN, CPHQ, Jessica Moore, Dr. Caroline Reinke Charleston Area Medical Center and Atrium Health

1 P.M. CT

Discharge Before Noon: Implementation and Evaluation of Discharge Timeline

Speakers: Kratika Lalwan, Cari Modrzynski, MHA, LSSBB Maimonides Medical Center and Roper St. Francis Healthcare

Making ERAS a Reality

Speakers: Lisa A. Pitrolo, PharmD, BCPS, BCID, Dr. Ron Charles WVU Medicine University Hospitals

2:30 P.M. CT

I Thought We Fixed That?! Practical Solutions to Ensure Accreditation and Regulatory Compliance

Speaker: Tracey Sherman, RN, BSN, MSN, CIC Avera McKennan Hospital, University Health Center and North MS Health System

Measuring What Matters: Medicare Breakeven

Speakers: Katie Harper, David Northern, MHA WellSpan Health and University Hospitals- Cleveland

THURSDAY, JUNE 22

2:30 P.M. CT

Clinical Surveillance Standards: Movement to Improvement

Speakers: Kimberly Putney, James McGinnis, MD RPH CommonSpirit Health and Atlantic General

WEDNESDAY, JUNE 21

Pharmacy

9 A.M. CT

Development of an Acute Care Pharmacy Emerging Leader Program

Speaker: Karen Hancock, RPh
Bon Secours Mercy Health

1 P.M. CT

Leveraging Cost-Savings for Clinical Practice Systemization and Service Line Growth

Speakers: Hannah Trickett, PharmD, BCPS, Ashley Street
WVU Medicine

2:30 P.M. CT

Building a Business Case for a Central Pharmacy Services Center within a Health System

Speakers: Michael McLain, PharmD, BCPS, MBA, Nilesh Desai
Baptist Health System

9 A.M. CT

Operationalizing a Successful System Conversion to Biosimilars at Baptist Health

Speakers: Shanna Schneider, PharmD, BCPS, Nilesh Desai
Baptist Health System

1 P.M. CT

Accelerate Antibiotic Stewardship with Real-Time Clinical Surveillance Technology and Rapid Molecular Diagnostic Testing

Speaker: Anna Oberste
Atlantic General

THURSDAY, JUNE 22

Supply Chain Resiliency - Traditional Value Analysis

9 A.M. CT

(SURPASS) Compliance to Drive Large-scale Change and Enterprise Product Substitute Identification Process

Speakers: Alex Hanes, Austin Ramos
Henry Ford, The Bellvue Hospital

9 A.M. CT

How to Increase Revenue In Your Affiliate Network By Utilizing the Distributor Data Tool

Speakers: Robert Felts, MBA, CPIM, CMRP,
Nichele Adkins
Sinai Health System

Value Analysis—Leading from Within

Speakers: Janet McMehan, Lurie Lobel,
Jillian Jalbert Adriana Hansen
Atrium Health, Monument Health, and
Cone, Yankee, Genesis Health

1 P.M. CT

Bridging the Gap Between Supply Chain and Patient Safety Amidst the Chaos of Pandemic-driven Disruptions

Speakers: Denise Payne, RN, MSN, MBA,
CIC, CJCP, CPHQ, FACHE,
Khoa Pham, Melissa Pena
Baptist Health South Florida and
WVU Mediciner

Take Two Value Analysis Ready, Set, Go

Speakers: Sue Toomey,
Jillian Jalbert
St Luke's University Health Network,
BRGMC and Avera Health, Baton Rouge
General Health System

2:30 P.M. CT

Value Analysis—How to Achieve Supply Resiliency Without Adding a Warehouse

Speakers: Robert Felts, MBA, CPIM and CMRP,
Nichele Adkins, Adan Fazal
Unity Point, UHS Sinai Health System

*Supply Chain Resiliency -
Value Analysis Supply Disruption*

WEDNESDAY, JUNE 21

9 A.M. CT

**Keeping Things Straight:
Stacking Value Analysis, Spine
Projects and Product Disruption**

Speakers: Laura Polson, Kelly McRory, Denise Robson
Baptist Health System KY, Banner, Jefferson

9 A.M. CT

**Three, Two, OneAct:
Developing a Structured Systemic
Approach to Drug Shortage Management**

Speakers: Tyler Clay PharmD, BCPS,
Raneesha Ford, PharmD, MBA, MHA, 340B ACE, Leslie Dixson
Baton Rouge General Health System and
St. Mary's Medical Center

THURSDAY, JUNE 22

1 P.M. CT

**Optimizing Physician Integration
into the Value Analysis Process**

Speakers:
Johnson Scaria, MBA, BSN, BSc,
Jim Chambers
Kaleida Health, Nexera

**Enhancing Your Supply Resiliency
Game**

Speakers: Joe Bichler,
Adrienne Aimsforth
Advocate Aurora Health

2:30 P.M. CT

**Ensuring Supply Availability
Through Predictive Analytics
and Clinician Engagement**

Speakers: Mary Shipley, MBA,
Matt Bossemeyer
Renown Health and Premier Inc.

**Value Analysis—
the round table,
everybody is a part of it!**

Speaker: Pat Patton, MD,
Kelley Young,
Henry Ford Health and Banner Health
